The City of Lethbridge conducts a census to establish the total population of the City.

Per capita grants

Municipal data is useful to both municipal and provincial governments as decisions regarding future transportation networks, the location of schools, parks, utilities and fire protection facilities are based to a large extent on statistics on population growth collected in the municipal census. Many of the grants received from the Province are awarded on a per capita basis and a census count ensures that maximum grants are received.

Basic Census

A basic census was undertaken. Information collected included validity of the address, if the dwelling unit was occupied, unoccupied, a vacant lot, or under construction, and if occupied, the number of people living in the unit, their ages and gender.

Every effort was made to reach all households in Lethbridge.

The Office of the City Clerk is confident that everything possible has been done to attain accurate information.

Lethbridge Census
City of Lethbridge is home to 1,167 new residents

Lethbridge, Alberta – The City of Lethbridge continues to grow with the official 2010 census result at 86,659, an increase of 1.37 per cent over the 2009 municipal census numbers. The strongest growth occurred in West and North Lethbridge with 910 and 281 new residents respectively. Slight decline in population occurred in South Lethbridge.

“The Census results reflect the City remains a vibrant, dynamic community showing a continued sustainable growth pattern”, says Mayor Bob Tarleck. “It remains encouraging that we are still growing. Alberta continues to have growth rates stronger than the national average. Statistics Canada 2010 first quarter results show Alberta’s population climbed 0.35% to 3,724,800.”

The City of Lethbridge continues to perform a census every year as it provides us an accurate count for provincial and federal funding. Funding received from these sources will be used for facilities such as the Twin Ice Centre and the West Lethbridge Centre Library.

The City is pleased with the commitment of the census takers and the response from residents. “The participation of residents in our yearly census is greatly appreciated,” says Aleta Neufeld, Deputy City Clerk. “Without the participation and cooperation of our residents, we would not be able to collect the information that we require.” The census taken asked for the number of people living in the household, their age and gender.
