

Reaching Home 24-25 Call for Proposal (CFP)
Public Disclosure of Funded Programs/Projects
February 19, 2025

The City of Lethbridge opened a Call for Proposals (CFP) to solicit requests for one-time investments, purchases of materials and equipment in alignment with an [Reaching Home](#) eligible program to advance community wellbeing outcomes by addressing those needs, gaps, and strategic priorities identified in the updated [Community Wellbeing and Safety Strategy \(CWSS\)](#), [Municipal Housing Strategy \(MHS\)](#), and [Needs Assessment](#).

A detailed [Call for Proposal Guide](#) was posted containing all the information required for the applicants to submit an application including the following application timeline guide. This document fulfills the **public disclosure of funding programs/projects** which has been posed to www.lethbridge.ca/csd. City administration will now enter negotiations with successful proponents to finalize contract agreements.

Reaching Home 24-25 Call for Proposal Overview

The CFP received 10 proposed projects from 9 different community organizations. The recommended awarded amount is \$275,755.30.

One application containing two proposals was not submitted in alignment with the CFP requirements, and therefore was disqualified from evaluation.

A total of 6 evaluation panel members evaluated proposals. The evaluation panel included 2 CWAB Members, 1 member from Lethbridge Housing Authority and 3 members of City Administration from a different department with connection to the community.

Recommendations

On January 20, 2025 the CWAB unanimously approved to proceed with contract negotiations with the selected service providers and recommended funding disbursements plus a maximum of 10% if additional funding is available.

Organization	Program Name	Recommended Funding
Blackfoot Resource Hub	System's Navigator Material and Equipment	\$25,000.00
