Subject: 2017 Municipal Election Campaign Disclosure and Financial Statement

Submitted By: Aleta Neufeld, City Clerk,

<p>Recommendation: That the report on Campaign Disclosure and Financial Statements for candidates of the 2017 Municipal Election as required under the <i>Local Authorities Election Act</i>, be received as information and filed.</p>
--

Purpose: The *Local Authorities Election Act* requires candidates to file with the municipality a Campaign Disclosure Statement and Financial Statement in the prescribed form (Form 21) declaring campaign contributions and expenses and the resulting surplus or deficit (if any) by March 1, 2018.

The Act requires candidates to disclose:

- The total amount of contributions of \$100 or less; and,
- The total amount, as well as the name and address of each contributor whose contributions exceeded \$100; and,
- Any other funding sources and expenses.

If a candidate's disclosure statement shows a surplus, the candidate shall pay the surplus to the municipality to be held in trust for the candidate at a financial institution until the next general election or by-election.

The Act also states that any money up to and including \$10,000 paid by a candidate out of the candidate's own funds for the purposes of the candidate's election campaign is not a campaign contribution. Further, if a candidate's entire election campaign is funded exclusively out of the candidate's own funds, the candidate is not required to file a disclosure statement.

The Returning Officer must ensure that all documents are filed and available to the public.

Background: All of the candidates for the 2017 Municipal Election have filed the required disclosure statement. The Campaign Disclosure Statement and Financial Statement – Form 21, are available for viewing at the Office of the City Clerk and on the City's website.
